

CPR/AED Training

- The Wellness Center offers courses for individuals and groups in need of certification through the American Heart Association.
- Heartsaver CPR/AED is an entry-level course that will provide necessary life-saving techniques for students, coaches, and employees. This training takes up to 2 hours.
- First Aid training can be combined with the Heartsaver CPR/AED course. This training offers skills to provide immediate assistance to those suffering from minor or serious illness or injury.
- The BLS Healthcare Provider course is designed for those students and employees who work in the healthcare field who have direct patient contact. This training takes up to 3 hours.
